**Tell a Story!**

1 Use symbols to tell a story.

2 Use talking bubbles and thinking bubbles for what characters say and think.

Students simply choose symbols on the left side of the screen, and click and drag them into the right side of the screen to complete the activity. There are **blue left and right facing arrows** at the top of the symbols menu to scroll the entire catalog of symbols available to students.

The **red down facing arrow** allows you to jump directly to another “Symbol” library.
