

Lake Dallas ISD Military Family Resources

At Lake Dallas High School, we want to thank and support our families who have served and are currently serving in the military. We want to partner and assist our military families however we can. This page has links to helpful military resources. Please feel free to contact Russell Lopez at rlopez@ldisd.net with any additional questions regarding these resources. Please do not hesitate to reach out if there is anything we can do. We are very grateful for the men and women who serve our country.

Parent Resources

[Enrollment Information](#)

[School Guidance and Counselors](#)

[Course Catalog](#)

Community Resources

[Texas Education Agency: Supporting Texas' Military Families Tutoring Assistance](#)

Frequent moves and family separations through deployments, as well as reintegration issues make life especially challenging. The state of Texas offers a number of programs to assist military families.

[Free Tutorial Assistance](#)

Tutor.com/military offers free, personalized 24/7 online academic support to military-connected children. This Department of Defense-funded program is provided at no cost to grades K-12 children.

[Denton County Veterans Resource Guide for Families](#)

The Denton County Veterans guide is one way to thank and support our families who have served and are currently serving in the military. This page has links to helpful military resources and ways to help local families.

[Texas Military Department Family Support Services](#)

Our Family Support programs are designed to teach Texas' Service Members and Families to be "good fishermen" – knowledgeable, aware of resources, adaptable, and networked to succeed and grow from the experiences unique to military culture.

[Denton County Veteran Services](#)

The State of Texas recognizes veterans as a valuable, talented and skilled workforce, and to that end is committed to increasing the number of military service members and veterans living and working in Denton County.

[Military Child Education Coalition](#)

The MCEC's work is focused on ensuring quality educational opportunities for all military children affected by mobility, family separation and transition.

[Center for Parent Information & Resources](#)

Parentcenterhub.org/military helps make the military family's transition from one location to another go a bit more smoothly.
