## Travel Day...

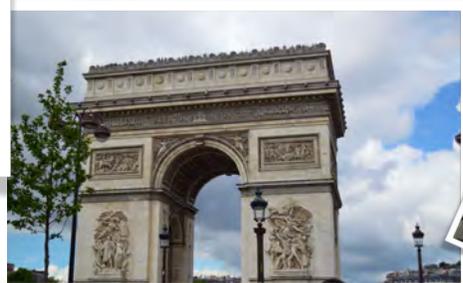

After an early wake up, our group makes it way to Dover, where we will enjoy a ferry ride along the English Channel. With the White Cliffs of Dover in our rear-view mirror, we make our way to historic Calais, France, where we will depart and continue onto Paris. Dinner at an authentic french restaurant and check in at the hotel rounds out our day.

## Exploring Paris...

Our Paris visit will be jammed packed with many wonderful sights! A favorite stop is the tiny village-within-Paris called Montmartre. Here we get to explore La Basilique du Sacré-Cœur (the Basilica of the Sacred Heart) and the Place du Tertre, also known as the Artist's Square. After climbing 270 step, we will also experience one of the most breath-taking panoramic views of Paris!

Other sights we may see include the Château de Fontainebleau. The medieval castle and subsequent palace served as a residence for the French monarchs from Louis VII to Napoleon III. And don't forget the Eiffel Tower and Notre Dame! We will get to see these colossal works of art from our boat ride along the River Seine. Another favorite is the Arc de Triomphe, located at the center of the Place Charles de Gaulle, a dodecagonal configuration of 12 radial avenues.

# Making the most of our Parisian vacation...

In addition to our second outdoor performance, we may visit the Eiffel Tower. Whether you climb your way to the top or ride the elevator, it's the highest point in Paris and a view that you don't want to miss!

How about spending some time at the 853 year old Notre Dame Cathedral, wandering through the Latin Quarter or taking a stroll down the Champs-Élysées (the world's most beautiful avenue)? Yes, please!!

Our heads, hearts and cameras will be filled with the beauty that is known as Paris and while we might want to stay to explore more, we must keep moving!

# Onward to Switzerland...

An early departure and a long day of driving results in our arrival in Crans-Montana, Switzerland. This quaint ski village is the pinnacle of peace and tranquility!
