- Completed Coursework and Grades sheet
- Attached a copy of most recent report card
- 1 Reference Form turned in to Coach Parker or Coach Cooper

**Athletic Training office phone number: (940) 497-6176**

Parents,

**Your student is interested in applying for the Lake Dallas Student Athletic Trainer (SAT) program. The following document outlines what we will expect out of your student should he/she be accepted into the program. Please carefully read the expectations and sign stating that you understand what will be expected of your student.**

**Commitment to the program**

First and foremost, this is a yearlong commitment made by your student to be part of our program. Along with football, we also have six other sports that will require coverage through the end of the school year. We understand that there may be times when the student will have a legitimate reason for missing a practice/game; however, we will not tolerate our students missing practices/games for excuses such as too much homework, other sports/activities, or “my mom said I can’t go”. We treat this much like a job in that the students are expected to be on time, communicate, work with others, exercise time management, and show dedication to the program.

**Time Commitment**

Being in the SAT program will require long hours, as we are generally the first to arrive and the last to leave practices and games. Students will average around 18-20 hours per week during football season and possibly 12-15 hours per week working with their second sport. There will be times when your student will arrive back to the school late from games. If your student does not currently drive, they will need to make sure they have transportation, even at odd hours. There are also sports that may require some holiday and weekend coverage, but this will vary depending on the sport.

**Flexibility**

You and your student will need to be flexible as our schedules are at the mercy of the coaches, weather, and unforeseen circumstances. Although all students will have a schedule in advance, there will be times and days when a practice or game changes. We understand that no one can plan for last minute changes but we ask that you and your student make every attempt to adapt and honor their commitment to the team and their peers.

**Missing School and Grades**

Our students will travel with teams to games and tournaments. Naturally, they will be missing some school (mainly later periods) and will be required to maintain passing grades as we strictly abide by the “No Pass, No Play” policy. If a student fails a UIL grade check and cannot fulfill duties until the next UIL grade check, a strike will be issued.

**Roles and Responsibilities**

Our Student Athletic Trainers will never be placed in a situation where they are required to make a decision on an athlete playing or sitting out; there will always be a Certified Athletic Trainer on site to make those decisions. Student Aides may help with wound care, taping, relaying injury information or gathering other materials directed by the Athletic Trainer on duty.

**I have read and understand the expectations that will be set forth for my son/daughter should they be accepted into the SAT program.**
