Mrs. McKinley called the meeting to order at 3:35

Minutes:

- Introductions were made.
- Mrs. McKinley read the minutes from previous meeting
- Wendt motioned to approve meeting minutes from previous meeting, Mrs..... seconded
- Mr. Clark presented the new requirements for SHAC and highlighted the new requirements for Human sexuality instruction and tied it to the new adoption for Health that will take place this year. We will need to have two public meetings with the commendations of the materials for human sexuality instruction. High school uses “Living Choices” curriculum and he hasn’t found anything that is published or public or this.
- Item 1- Election of Vice-Chairman- tabled to next meeting due to not enough for quorum
- Item 2- Select sub-committee to review physical fitness policies was tabled due to not enough for quorum.
- Item 3: Covid protocol update. We are strongly recommending wearing masks. We are sending out daily emails with COVID. We are continuing to require anyone who is positive will quarantine for 10 days. Contact tracing is not being done on campus this year. Classrooms are being notified if there is a student who tested positive. We are not requiring quarantine for those who are close contacts.
- Connie Ray, who is a nurse practitioner asked about the COVID updates and numbers. She had a hard time accessing the information on the website. She asked why we weren’t requiring students to quarantine for close contacts. She asked the use of plexiglass on campus and nurses said that they are not using them at her campus (LDE).
- Item 4: Agenda Items for November and Beyond. Get HS trainer to come talk to supplemental insurance. Page Anthony said that she would like to look at the amount of work that the student trainers attend. She said that she had heard parents complain of

this an the amount of time that students are doing this. McKinley mentioned that she would like an update on e-cigarettes. Mr. Clark said that in the Sping, we will need more information for the Human Sexuality

- Mrs. McKinley said that she would like to get CIS back to see what their goals are for this year and how to
- Mrs. McKinley called the meeting to adjourn at 4:18pm.
